IMPORTATION OF DOGS AND CATS

- Ireland is a rabies-free country; therefore the regulations for the importation of animals are very stringent.
- Dogs/cats are subject to a **minimum** of 6 months quarantine in licensed premises. The animal will undergo two rabies vaccinations while in quarantine. There is only one public approved quarantine facility:

Lissenhall Quarantine Kennels and Catteries
Lissenhall, Swords, Co. Dublin
Telephone: 353-1-8401776
Fax: 353-1-8409338
- You should make arrangements (approximately 10 months in advance) prior to your pet's arrival at Lissenhall.
- It is possible to arrange to have the pet quarantined for one month at Lissenhall and five months at the owners existing permanent residence. The owner must apply at least 3 months prior to importation of the pet for this arrangement. The residence must then be inspected and pre-approved by the Department's Veterinary Inspectorate.
- The owner must arrange transportation for the pet from the airport to the quarantine facility through Irish Rail, (Road Freight Section), 48 North Wall Quay, Dublin 1, telephone: 353-1-7034262, 7034307), Fax: 353-1-7034391).

REQUIRED DOCUMENTS
